

CALENDAR LISTING

Car Seat Checkpoint

When: June 24, 2009 from 9:00 a.m. until 12:00 p.m.

Where: North Metro Headquarters at 10550 Huron Street, Northglenn

Why: Car collisions are the top cause of injury-related death for children from age 1 to 18. Coloradoans have a 91% improper installation rate for their car seats—this is worse than the national average.

Cost: FREE

Background: North Metro Fire Rescue and Safe Kids Denver Metro will be conducting a car seat checkpoint for parents and caregivers. Parents can bring their children to this event to receive one-on-one instruction on the best way to install their car seat to their specific vehicle.

Additional

Information: An average car seat check takes approximately 15-20 minutes. Please bring your car seat instructions and vehicle manual. Parents are encouraged to come at the beginning of the event and bring snacks/entertainment for their children.

Contact: Jeff Dorrell, North Metro Fire Rescue, (720) 887-0404
